

Master Gardeners of Greater New Orleans Speakers Bureau Request

The MGGNO Speakers Bureau is a free community outreach service providing educational programs in Louisiana horticulture to groups in the Greater New Orleans area. Speakers are Master Gardener volunteers who have completed the Louisiana Master Gardener training provided by the LSU Cooperative Extension Service and have expertise in the topics they present.

To request a Master Gardener speaker for your organization, please complete this form and **submit by email to your preferred speaker's email address** that appears on our Speakers Bureau web page at mggno.org/speakers. **IMPORTANT: Please include "Speaker Request" in your subject line.** You will receive an email response from your speaker within one week.

Also, please note that most programs are delivered as a PowerPoint presentation that will require access to an HDMI-compatible TV.
